

THOMAS DAUGHERTY

Web Design & Graphic Design, I live & breathe these fields. It's not work to me because I love what I do & I can't get enough of it. I work hard to be better.. to be clean, to gain a sharper eye & to bring something new to the table. I'm looking for a company who can give me a challenge & who wants to become something bigger & better. I strive to make a company stronger & bring more money in because I know it helps me become a better designer. Trust me I'm a handful but also trust me that I will bring my best to the table. My name is Thomas Daugherty & I want a challenge.
